

## AAO Foundation Award Final Report

Principal Investigator	Chin-Yu Lin
Co-Investigator	.
Secondary Investigators	
Award Type	Orthodontic Faculty Development Fellowship Award
Project Title	
Project Year	2002
Institution	Saint Louis University
Summary/Abstract	<p>The aim of the Orthodontic Faculty Development Fellowship Award granted for Dr. Chin-Yu Lin is to support the preparation of career in the academic field of Orthodontics in the year of 2002. Robert M. Ricketts Sunflower Orthodontics Fellowship Award was used to support the graduate education of orthodontic training in Saint Louis University. With the support of the Orthodontic Faculty Development Fellowship Award, the recipient had graduated from the Graduate Orthodontic Program at Saint Louis University with an orthodontic certificate and a Master of Science degree in December of 2002. Immediately after the graduation, he started his teaching career in the Orthodontic Program at Saint Louis University in January of 2003 and had been serving as a full-time assistant professor for 18 months. His teaching subjects included Molecular Biology, Oral Biology, Research Design, and Fundamental of Orthodontics, JOURNAL Club, and Dental Assistant Training Courses. He also participated in several Master-thesis committees of orthodontic residents.</p>
